NOTICE
of
Opening TOLI Singapore Branch

We, TOLI Corporation with its principal office at Itami, Hyogo, Japan, are proud to announce that we start the operation of our Singapore Branch as follows.

We have set Medium-Term Business Plan named SHINKA-100 (now in Phase II), under the direction of our President, Mr. Nagashima. And deepening our overseas business activity is one of the core policies in it. Thus, we have so far endeavored to expand our brand in overseas market successfully.

We hereby announce that we have just registered the branch in Singapore as the base of marketing in ASEAN countries, which has been showing rapid growth with high potential prospect.
